

ENTRY REQUIREMENTS FOR OUR HOLIDAY DESTINATIONS

- It's very important that you take any tests at the time specified by the destination you're travelling to – please check guidelines on this carefully.
- Please note that this chart should be used as a guide only. As countries' entry requirements can change quickly and at short notice, we recommend you also check the [FCDO website](#).
- You can sign up for [FCDO travel advice email alerts](#), so you automatically receive the latest travel advice updates and entry requirements for the countries you want to know about.

Country	Country Status	Testing Required The recommended package covers you for the COVID-19 tests required for entry into your holiday destination.	Is there a testing exemption for those vaccinated?
